BOOK WORMS

July 18th, ***Walking Across Egypt*** by Clyde Edgerton. The group now meets the third Monday of each month at 7 pm. The August book will be ***The Black Count: Glory, Revolution, Betrayal, and the Real Count of Monte Cristo*** by Tom Reiss.

STEM Programs at Manchester

Programs for elementary ages
(Science, Technology, Engineering, Math)

Thurs., July 7th, 2pm Pacific Science Ctr: Radical Reactions

Chemistry explodes onto the scene with radical reactions, where flames ignite in blue and green and rainbows exist in glass tubes.

Wed., July 13th, 2pm: STEM Storytime in the Park

Preschool and early elementary aged kids can explore STEM concepts through stories, games and hands-on activities at Qa'qad Park, across the street from the library.

Thursday, July 14th, 2pm Angry Birds Challenge

Build steady structures, catapults and slingshots while learning about the science behind them. Use what you make to knock down blocks, cups and towers. Registration required.

Thursday, July 21st, 2pm Dr. Dave's Reptile Safari

Take a walk on the wild side with Dr. Dave and experience an up-close encounter of the creepy-crawly kind. Come meet a variety of exotic and fascinating reptiles from around the world. Lots of family fun and hands-on activities. Space is limited, seating available on a first come first served basis.

Wed., August 10th, 2pm: STEM Storytime in the Park

See above.
