**Easy Ways to Give to FOML**

There are two special campaigns to donate to the Friends of the Manchester Library.

Facebook is having #GivingTuesday on Tuesday, November 27th. Visit our page at <https://www.facebook.com/Friendsofthemanchesterlibrary/>

and click the "Donate" button. On #GivingTuesday, the first \$7 million dollars in donations will be matched by FaceBook and PayPal! Please note you must have a FaceBook account to donate.

If you're a current or retired federal employee or military, please consider donating to the Friends of the Manchester Library through the Combined Federal Campaign (CFC). Our CFC Code is 75235. The local campaign website is: [www.cascadiacfc.org](http://www.cascadiacfc.org) (which has a fillable pledge form for retirees under "Donors" and then "Campaign Materials") or current federal employees can register electronically at <https://cfcgiving.opm.gov/>.

The Campaign runs through January 11, 2019.

A third option to donate is to go to <http://manchesterwa.org/> and click the "Donate" button to donate via Pay Pal or credit card. And, sign up for Fred Meyer Community Rewards

**Our Friend Norma Brady (1927-2018)**

Norma Brady passed away early November 15<sup>th</sup>. A long-time library supporter, and a dear friend to many, she and her late husband Gene worked hard to raise money for library building projects. She started the plant sale many years ago, helped with cookie bakes, fed the crew that built the 1980 part of the building, and donated to various events and library causes. Norma was first to donate to the current roof campaign.
