Kitsap Regional Library

You will find lots of offerings, like "Back To School" and summer programs like "Messy Mondays", "Little Learners" and "Fearless Fridays" – and some classics like "Bubble Gum".

Read the entries carefully, because the old "videos" are mixed with the new.

Plant Sale Ends after Labor Day --
Thank You for Your Support

The FOML plant will close down for the summer following Labor Day, after an amazing response from the gardening community! While shoppers were choosing to support the library by selecting thousands of plants from our displays, Manchester's gardeners continued to donate plants and kept the selection interesting all summer. The sale set a new record financially, and kept our Manchester community engaged in a good cause during a difficult time.

Our thanks to all the volunteers and plant donors!!
